URBREATH e-participation
mobile app

Experience urban ideas in Leuven's augmented reality

leuven

Discover the URBREATH AR Viewer through the e-participation app — or use it independently.

1. Scan the QR code

Scan the QR code to access the AR Viewer independently. Allow camera interaction.

2. Scan the marker

Point your phone at the marker image to activate the AR experience.

3. Explore

View the digital content and interact with the proposed urban vision.

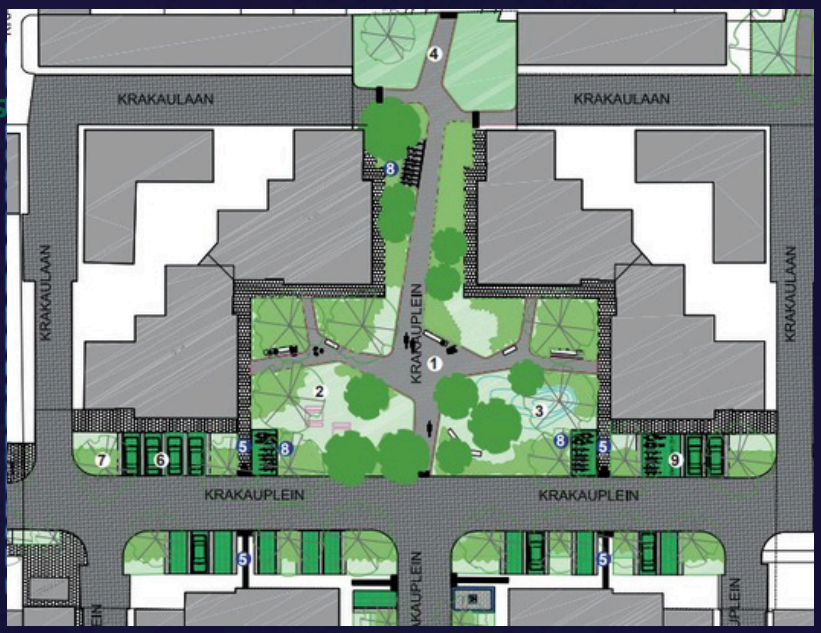

AR Viewer provided by

Telesto

3D-models provided by

virtual city systems

Scan the QR code first, then scan the marker.
